The Novel Coronavirus (COVID-19) is disrupting our lives in many ways. Even in these challenging times, God provides opportunities to grow in our faith. For parents and families at home, we recommend the following resources to grow closer to God.

Great Conversations as a family
Great Conversations video (38 minutes)
Stream online at https://marriagefamilylife.seattlearchdiocese.org/great-conversations

Take advantage of this opportunity to have conversations that draw us closer to God and to one another. The video (38 min), available at the link above, provides practical coaching on how to have great conversations with your children about faith.

You can use the following conversation starters:

• God is our rock and sure protection at all times. What are we afraid of that he can help with?

• Blessings come in all shapes and sizes, from our family and friends, to food and much more. Can you name some of the blessings that God has given you in your life?

• Even with our many blessings, there are many things that we still want. Have you ever really wanted something and thought “If I can just have this, I won’t want anything else,” but then you got it and still felt like you wanted something more? How did that make you feel?

“Don’t worry about anything, but in all your prayers ask God for what you need, always asking him with a thankful heart. And God’s peace, which is far beyond human understanding, will keep your hearts and minds safe in union with Christ Jesus.”
